

OFFICE OF STATE ATTORNEY  
Ginger Bowden Madden  
FIRST JUDICIAL CIRCUIT OF FLORIDA

July 16<sup>th</sup>, 2021

FDLE Special Agent in Charge Jack Massey  
FDLE Asst. Special Agent in Charge Chris Williams

The Office of the State Attorney for the First Judicial Circuit would like to thank the Florida Department of Law Enforcement for the exemplary work performed on the case of State of Florida vs. Zachary Wester, in Jackson County, Florida. This was a case of the utmost public interest, as the crimes involved an attack on the integrity of the criminal justice system that we all serve and seek to uphold.

The thorough investigation of this case required interviewing hundreds of Witnesses, collecting hundreds of items of evidence, and reviewing thousands of Court Records and Arrest Reports. As is so often the case, FDLE's excellent work did not end with the service of a warrant, but continued steadfastly throughout this prosecution.

It is our position that this case could not have been prosecuted successfully without the excellent work of your agency. In particular, we commend Special Agents Dyana Chase and Troy Roper for their commitment to and hard work on this case. They exhibited a level of professionalism and ethics that the public deserves. Thank you.
